### Question & Answer Corner

*Do you have a question for the Committee? Send it to [campaign@saintjosephcc.com](mailto:campaign@saintjosephcc.com) and we'll provide an answer in the bulletin.*

**Question:** I heard mention of being able to purchase brick pavers. When will we be able to purchase them?

**Answer:** We will have many locations where brick pavers will be appropriate. At this time, however, we cannot guarantee where those areas are, what kind of square footage will be available, or an exact layout to determine the number of pavers that can be accommodated. While Brick Pavers will be part of the building; it is too early in the planning/building stage to offer them for sale until we have firm plans and a layout. Also, the cost has yet to be determined and we do not want to promote something that cannot be guaranteed.

**A PLEDGE is an Investment in the Future!!!**

## EMBRACE THE VISION

Lent begins this Wednesday, February 6. It is a time of reflection and purification. RCIA Catechumens are preparing for full entry and communion with the Church. We sometimes use the forty days of Lent as a time of fasting, redemptive measures realized by “giving up” something that we really enjoy.

Many of our parishioners have sacrificed a portion of their resources by submitting a pledge to the Capital Campaign because they believe in this community and have *Embraced the Vision* of a truly dynamic and growing faith community.

As you decide what to “give up” during Lent, consider allocating a portion of your available resources to this faith community. There are numerous naming opportunities available in all of the major categories. This campaign is an investment in our parish's future. Do you see yourself as part of that future? If so, you need to part of the building of that future, too.
