SAINT JOSEPH CAPITAL CAMPAIGN

Father Gary and "New" Culinary Delights

Father Gary and Culinary Delights – Only two weekends are left!! You've seen the awesome menu that is to be served to three couples and we need to make Father Gary's awesome gesture worth the time and effort. So, if you haven't purchased your ticket(s), you still have this weekend, next weekend, and any time over the next two weeks in the office to purchase the raffle tickets. Each ticket is \$10 or 3 tickets for \$25. Where else in Huntsville can you purchase such a meal for so low a price?!

Sunday June 22 – Following the 11:15 Mass (and the LAST chance to purchase a ticket), three tickets will be drawn. You will be called if you are a winner. Each winner may ask one other person to accompany them to Fr. Gary's home.

Wednesday June 25 – "It's Party Time!!" Time and directions will be given at the time of notification. If you are unable to make it, please let Fr. Gary know so that food quantity adjustments can be made. Remember, no substitutions will be made.

Happy Father's Day!

Studies have proven over and over again that developing minds need both parents in order to become well-rounded individuals. Our fathers teach us the value of fair play; that our word is just as important as our signature; that we are known by the deeds we do rather than what we say we will do; and that the strongest man knows he is truly strongest when on bended knee in worship to God, the Almighty Father. Fathers provide the example and the wisdom and that carries an awesome responsibility to the next generation. In the end, however, we all reach a point when we realize that fathers are in the end, human, with a multitude of gifts and flaws. Once we realize that he is not perfect, we also come to appreciate his desire that he would like to be the perfect father to his child(ren).

If you are fortunate to still have your father, make sure you let him know how much he has meant to you and how incomplete your world would have been if he had not been there. If your father has passed on, take this Sunday to say a special prayer for him and for all fathers.

Asking a Question?

Question & Answer Corner

*Do you have a question for the Committee?
Send it to campaign@saintjosephcc.com and we'll
provide an answer in the bulletin.*

Question: I already have a paver at the Parish Life Center. Why should I buy another one for the church?

Answer: These pavers will be at the entrance to the new church. For some families, circumstances may have changed in which they want another opportunity to memorialize an event or a loved one. For others, their paver(s) at Father Messmer is sufficient. The pavers are a personal option and should in no way be construed as a "must" for each parish member. As in all things, evaluate your circumstances and make the decision that is best for you. Something else to consider is that a paver purchase is fully tax deductible.
